

TENNIS...YOUR GAME FOR LIFE™

High Performance Program

(By invitation only by Director of Tennis)

Developing high level tennis athletes requires a commitment of time and resources by the parents, students, instructors and club. To aid in the growth and development of our high level players, the Glen offers special consideration to those students who have made this commitment. Below please find the benefits granted to all students of the High Performance Program.

HPP Students will enjoy:

- **Free Joint Club Student membership**
- **Walk on Privileges at VG or STTC (no court fees for HPP student only)***
- **Discounted Private Lesson Fee of \$55.00 @ STTC and \$60.00 @ VG.**
- **FREE Ball Machine Usage (STTC ONLY)**

* No reservations will be taken. Student must surrender court if a member requests court time. Please keep in mind the demand for courts at STTC is much greater than the Village Glen. Bumping High Performance Program students is a real possibility.
